Bleed Ads

*In all bleed ads, it is advisable that all important images and text are 1/4" from the edge of the page.

File Formats

All ads must be submitted as a high resolution pdf in CMYK coloring. In order to ensure proper printing please make sure your ad does not contain any spot colors. Images used in an ad should have a resolution of at least 300 dpi. The graphic design of all ads submitted to the Voice must conform to our professional standards. Discounted design pricing may be combined with a reserved ad.
